Sir:

This Renewed Petition is filed in response to the Decision on Petition under 37 C.F.R. §1.47(a) (hereafter "the Decision") dated 14 December 2000.

The Applicants acknowledge with appreciation the indication in the Decision that of the four items enumerated as required for a petition under 37 C.F.R. §1.47(a), items (1), (2) and (4) have been satisfied. However, item (3) is identified as not having been satisfied because of the discrepancy in the spelling of inventor Irene Zuhl's last name and because of an incorrect date on the declaration.

With regard to the spelling discrepancy, the Applicants hereby confirm that the correct spelling of inventor Irene Zuhl's last name is Zuhl, not Sul, and that the discrepancy arose as a result of a typographical error. In that regard, the Applicants note that during the international stage, they filed on 08 February 1999 a Partial Response to Invitation to

Correct Defects and Request for Second Extension of Time to Complete Response, in which, *inter alia*, they corrected the spelling of inventor Irene Zuhl's surname.

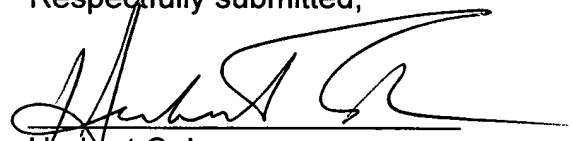

Also, a newly executed Declaration, giving the filing date of present application as 06 November 1998, is attached hereto.

In light of the above, the Applicants respectfully submit that they have satisfied item (3) and thus all items. Therefore, the Applicants respectfully request that the Petition under 37 C.F.R. §1.47(a) be reconsidered and granted.

Please charge any shortage of fees or credit any overpayment thereof to BLANK ROME COMISKY & MCCAULEY LLP, Deposit Account No. 23-2185 (109289.00138). In the event that a petition for an extension of time is required to be submitted herewith and in the event that a separate petition does not accompany this report, Applicants hereby petition under 37 C.F.R. §1.136(a) for an extension of time for as many months as are required to render this submission timely. Any fee due is authorized above.

Respectfully submitted,

BY:
